

Student Recommendation Letter

Ref No.: 2023/18/2851

Date: July 18, 2023

To Whom It May Concern,

Samskar Koirala

I am writing to confirm that Samskar Koirala has been a student at The British College for four years. After completing the TBC Foundation programme, he registered at Leeds Beckett University for BSc (Hons) Computing, a franchised programme of Leeds Beckett University, (77227200) and successfully completed his bachelors degree in 2022.

During his time at the College, Koirala demonstrated a good work ethic and interpersonal skills. He put significant effort into his studies, showed that he can work both independently and as part of a group, and displayed exemplary leadership skills when involved in team projects. Therefore, I have no hesitation in recommending Samskar Koirala for enrollment in your Postgraduate Programme and encourage you to look favorably upon his application.
